Property Description:

Town of Stockholm, NY (St. Lawrence County): 177+or - acres with a mix of hemlock forest, hard wood flats and hidden meadows. There is a nice open field just off the paved road; this would make a great location for building that home in the country. The hidden meadows would make great wildlife food plots and the trails throughout would be great for that family walk in the woods.

Terms:

177 acres at \$180,000
