Property Description:

Town of Parishville, NY - St. Lawrence County: Pickettville forest consists of 368 acres of wooded ground with over a mile and a half of interior roads. This property has it all...mountain views, ponds, balsam lowlands and a large hardwood forest that was thinned a few years ago leaving trails and plenty of cover for wildlife. In this area of the county, wildlife flourishes with deer, bear, turkey and small game hunting that will bring you back for years to come. This would make a great private hunting club or just a recreational retreat for great family fun. The property borders thousands of acres of state easement land that allow you public access for hunting, hiking and other recreational activities.
